Summary of Distribution Circuit Field Inspection by ICC Staff			
<b>Utility:</b>	<b>IP</b>	<b>Date:</b>	<b>5/21/02</b>
<b>Circuit:</b>	<b>Belleville 163 (Belleville &amp; rural Freeburg)</b>	<b>Inspector:</b>	<b>J. D. Spencer, J. L. Prange, &amp; Bev Hall (IP)</b>
<b>Gen. Notes:</b> Tree trimming looked very good on this circuit, with many opportunities for problems and few tree clearance problems found. There are several lengthy inaccessible cross-country sections in this circuit, and some relatively small underground areas.			
<b>Map No.</b>	<b>Item Description</b>	<b>Photo(s)</b>	<b>Location</b>
7 of 36	Blown lightning arrester cap		4th pole west of Old Freeburg Rd. (CH 4) along Peabody Short Line RR
11	Woodpecker hole in pole		Plum Hill Rd. at tap to Sta. 34785
